WHAT IS THE NCAA?

NCAA members and the national office are dedicated to the lifelong success of college athletes. They are committed to providing a pathway to opportunity by prioritizing academics, well-being and fairness for student-athletes.
NCAA FAST FACTS

- 1,117 colleges and universities.
- 100 athletics conferences.
- 40 affiliated organizations.
- Almost half a million student-athletes.
- 19,500 teams.
- 90 championships.
- 24 sports.
- Three divisions.
WHAT IS THE NCAA ELIGIBILITY CENTER?

The NCAA Eligibility Center evaluates and certifies prospective student-athletes for collegiate competition at Divisions I and II schools.

We focus on:

- Academic preparedness.
- Sports participation.
- High school courses.
- Customer service.

Students who want to compete at NCAA Division I or Division II schools are required to meet NCAA Eligibility Center:

- Academic initial-eligibility requirements.
- Amateurism requirements.
HIGH SCHOOL TIMELINE

Follow these suggestions to prepare for Division I and Division II initial-eligibility requirements.
GRADE 9: PLAN

• Register for a Profile Page or Certification Account with the NCAA Eligibility Center at eligibilitycenter.org.

• If you fall behind academically, ask your counselor for help finding approved courses you can take.

• Your core-course GPA starts in ninth grade.
GRADE 10: REGISTER

- Register for a Profile Page or Certification Account with the NCAA Eligibility Center at eligibilitycenter.org.

- If you fall behind academically, ask your counselor for help finding approved courses you can take.
GRADE 11: REGISTER

- Check with your counselor to make sure you are on track to complete the required number of NCAA-approved courses.

- Take the ACT or SAT and submit your scores directly to the NCAA Eligibility Center using code 9999.

- At the end of the year, ask your counselor to upload your official transcript to the NCAA Eligibility Center. If you took classes at more than one high school or program, ask each to submit an official transcript.

- Make sure you are on track to graduate on time with your class.
GRADE 12: GRADUATE

- Complete your final NCAA core courses.
- Take the ACT or SAT again, if necessary, and submit your scores directly to the NCAA Eligibility Center using code 9999.
- Request your final amateurism certification in your Certification Account at eligibilitycenter.org:
  - April 1 (fall enrollees).
  - Oct. 1 (winter/spring enrollees).
GRADE 12: GRADUATE

- After you graduate on time, ask your counselor to upload your final official transcript with proof of graduation to the NCAA Eligibility Center.

- **Reminder:** Only students on an NCAA Division I or Division II school’s institutional request list receive a certification.

INITIAL-ELIGIBILITY STANDARDS
The NCAA’s commitment to academics ensures students are better equipped to succeed in college and prepare for lifelong success. Students need to meet the following academic requirements to be eligible to compete in college sports.
WHAT IS A CORE COURSE?

- NCAA core courses include courses that:
  - Qualify for high school graduation in English, mathematics (Algebra 1 or higher), natural or physical science, social science, foreign language or comparative religion or philosophy.
  - Are considered four-year college preparatory.
  - Are taught at or above the high school’s regular academic level.
  - Are taught by a qualified instructor.

Tip: You can find your school’s list of NCAA-approved core courses by going to eligibilitycenter.org/courselist.
WHAT ARE NONTRADITIONAL COURSES?

NCAA core courses include courses that:

- Qualify for high school graduation in English, mathematics (Algebra 1 or higher), natural or physical science, social science, foreign language or comparative religion or philosophy.
- Are considered four-year college preparatory.
- Are taught at or above the high school’s regular academic level.
- Are taught by a qualified instructor.
BEFORE YOU TAKE NONTRADITIONAL COURSES

Consider these requirements. A nontraditional course:

- Must meet NCAA core-course requirements.
- Must include regular ongoing access between the instructor and student.
- Must have a defined time period for completion (for example, eight weeks).

Tip: Taking online or virtual nontraditional courses does not necessarily mean a student is home-schooled. Review our Home School Toolkit for questions about home schooling.
DIVISION I INITIAL-ELIGIBILITY
ACADEMIC REQUIREMENTS

To play Division I sports you need to meet the following academic requirements:

- Graduate high school on time.
- Complete 16 NCAA-approved core courses in the correct subjects.
- Earn a minimum core-course GPA of 2.300.
- Earn a combined SAT or ACT sum score that matches your core-course GPA on the Division I sliding scale.
When you enter ninth grade, you have four years (eight semesters) to complete your core-course requirement.

If you do not complete high school on time, your core courses taken after high school will not count toward NCAA requirements.

**On time:** If your high school graduation takes place June 1, you must graduate June 1. If you do not graduate June 1, you have not completed your requirements on time.
DIVISION I CORE-COURSES

Complete 10 NCAA core courses before your seventh semester.

Core-course requirements must be met in the time limitation.

The following must be completed by the start of the student’s seventh semester in high school:

- Ten NCAA-approved core courses from your school’s list in the appropriate subjects.
- Seven of the 10 courses must be in English, math or science.
DIVISION I TEST SCORES

- Take the SAT or ACT as many times as you wish.
- Use code 9999 when registering to send scores directly to the NCAA Eligibility Center.
- We will use your best scores to certify you:
  - SAT combined score.
  - ACT sum score.
- Your test score and GPA will be matched on our Division I sliding scale.

DIVISION III INITIAL-ELIGIBILITY ACADEMIC REQUIREMENTS

- Each Division III college or university determines its own eligibility for:
  - Admission.
  - Financial aid.
  - Practice and competition.

- The NCAA Eligibility Center does not perform certifications for Division III college-bound student-athletes.

- Division III student-athletes may register for a free Profile Page and receive information, but it is not required.
SPORTS PARTICIPATION

The NCAA Eligibility Center also evaluates amateurism. Follow these tips to stay eligible to compete in college sports before full-time enrollment.
AMATEURISM

In general, amateurism requirements do not allow:

- Contracts with professional teams.
- Salary for participating in athletics.
- Prize money above actual and necessary expenses.
- Play with professionals.
- Tryouts, practice or competition with a professional team.
- Benefits from an agent or prospective agent.
- Agreement to be represented by an agent.
- Delayed initial full-time collegiate enrollment to participate in organized sports competition.

Tip: If you have questions about actions that could impact your amateurism, contact the NCAA Eligibility Center to ensure your decision will not impact your future eligibility.
SPORTS PARTICIPATION

- When you register with the NCAA Eligibility Center for a Certification Account, select the sport(s) you would like to play in college.
- Complete questions about sports participation.
- Update your information frequently if you play for multiple teams or attend events outside the traditional high school setting.
SPORTS PARTICIPATION

- Request final amateurism certification before you enroll full time at a Division I or Division II school.

- Over 94 percent of students don’t require additional amateurism questions from the NCAA Eligibility Center after they request final amateurism.
PROACTIVE REMINDERS!
