## Online Registration Instructions

1. Login to your PowerSchool account.
2. Click on the “Class Registration” Button at the top of the screen.
3. You should be taken to a screen showing your class choices.
4. Follow the instructions on the page. When you have finished you should have 15 total classes and six alternate choices. (A red exclamation point will appear if you have not finished one section.)
5. When you have cleared all exclamation points and have 15 total courses and 6 alternates click the “Submit” button at the bottom of the page.

### Helpful Hints:

Please be aware that your browser will time you out after several minutes, so it would be best to have your choices made before you click on Class Registration.

2018-2019 Seniors may have fewer classes based on enrollment in Work Release or other programs. If this is the case be sure to consult your student course history (it may not have the current trimester courses included) to know how many classes you must take for graduation.

Please report any technical issue to Mrs. Hobbs or Mrs. Saunders as soon as possible and they will work to fix it before the registration deadline.

Feel free to let Mrs. Saunders or Mrs. Hobbs know how well you feel the registration went.

Our goal is to improve and streamline the process as much as possible. Your input is appreciated.

Thank you for your patience and cooperation.

# DUAL CREDIT

- Dual Credit courses can be taken starting the students Sophomore year.
- All students are required to have a cumulative GPA of a 3.0 or better and have approval from the counseling office.
- There are multiple forms of paper work that are required in order for Advanced Opportunities to pay for the course work.
- \$ 4,125

# NCAA & COLLEGE OPTIONS

## NCAA

\*NCAA is for any student who is wanting to pursue a Division 1, 2 or 3 Athletic scholarship in college.

NCAA has their own set of requirements that are best tracked if started and focused on from the students freshman year.

There is a link on the counseling webpage to learn more about NCCA. If you feel like this would apply to you please email Mrs. Hobbs. [jhobbs@sugarsalem.com](mailto:jhobbs@sugarsalem.com)

## College Options

Starting your freshman year you are building your transcript for colleges. All classes taken and all grades given will compute into your cumulative GPA for college acceptance.

# DRIVER'S EDUCATION

- The counseling office has nothing to do with Driver's Ed besides if the student wants to take the IDLA drivers course.
- If the student wants to take the IDLA course it is an extra \$75 and the student will still drive with Mr. Hansen but will have all their coursework through the online system instead of in the morning. See Mrs. Hobbs if you decide you want IDLA this option is \$200.
- A student can take Driver's Ed when they are 14½ years old. To sign up for a class look at the schedule below and decide what session you would like to sign up for. Then pay the \$125 fee and fill out the registration form in the main office at the high school. Each session lasts for six weeks. Classes will be in the mornings from 6:45 to 7:45. Each student will drive for a total of 6 hours and observe for at least 6 hours.
- If you have any questions please contact Darin Romrell at (208)356-0274 ext 8219 or email: [dromrell@sugarsalem.com](mailto:dromrell@sugarsalem.com)
- For all other information go to the counselors page or parent tab and scroll down to drivers ed.

# QUESTIONS?

- If you have any questions and or concerns please email Mrs. Hobbs at [jhobbs@sugarsalem.com](mailto:jhobbs@sugarsalem.com) or Mrs. Saunders at [tsaunders@sugarsalem.com](mailto:tsaunders@sugarsalem.com)
- You can find the registration handbook and this power point online:
  - Go to [sugarsalem.org](http://sugarsalem.org)
  - Click the “Counselors” tab
  - Click “registration”
  - Scroll down and you will be able to see any and all registration information
