JUNIOR REGISTRATION

2019-2020
HISTORY CHANGES

• If you have already taken HISTORY I A and I B then you will only need to take HISTORY B your JUNIOR YEAR and have your sophomore year off.

• If you have not taken any History I courses or have only taken HISTORY I A as a freshman you will register just for HISTORY A.

  • NEW SCHEDULE FOR HISTORY
    • HISTORY A (10th grade year)
    • HISTORY B (11th grade year)
JUNIOR REQUIREMENTS

• English III A & B
• Mathematics (not required but HIGHLY recommended for the ACT or NCAA 😊)
• 2 Science Credits
• U.S. History B
• Economics
• Also make sure you have at least one CTE class and Humanities course if you have not completed them.

Juniors are not allowed to TA or have Work Release
Veterinary Science – Science Credit
Prerequisite: BIOLOGY
A course of designed to impart information about the causes, diagnosis, and treatment of diseases and injuries in animals, typically emphasizing domestic and farm animals. Business management and interpersonal skills required for a successful veterinary practice will also be emphasized.

Fish & Wildlife – Science Credit
A course designed to examine the importance of fish and wildlife science, outdoor recreation and natural resources. This course will count as a Science credit or a CTE credit.

Range Science – Science Credit
A course designed to acquaint students with principles of conservation, natural resources, ecology, and range science. This course will count as a Science credit or a CTE credit.

Forestry and Wildlife Management- CTE Credit
A course designed to examine the importance of forestry, wildlife, and outdoor recreation with emphasis on efficient use of natural resources. This course will count as a Science credit or a CTE credit.

ASTRONOMY- Science Credit
Prerequisite: BIOLOGY
Learn about the stars, planets, solar systems, galaxies, black holes, how the universe is trying its best to exterminate all life, and more!

11-12 AMERICAN HISTORY THROUGH FILM
This course is designed to look at history through the use of movies, documentaries, and television. Students will go beyond textbook presentations of history and literature. Selected films will be used to interpret history, reflect historical values, and determine the influence the media has had on history. Historical themes, film themes, and the impact of literature on film may be discussed. All films viewed during the course will have a PG13 rating or lower. The parent permission form will be distributed the first day of class.

11-12 CURRENT EVENTS
This elective course will focus on world and local issues that affect students’ everyday lives, such as economics, government and conflict. This course will use newspapers, online media, cartoons, and newscasts to support class discussion. Additionally students participate in group projects, presentations and work with primary source materials and opinion pieces in order to better understand the world around them.

Baking and Pastry- CTE Credit
Total for graduation:
6 math credits
8 English credits
6 Science credits
3 History credits
2 Government credits
1 Economic credit
1 Health credit
2 CTE credits
2 Humanities credits
1 Speech credit
1 Reading credit
1 PE credit
1 Keyboarding credit
15 Electives
50 total credits

JUNIORS
If you have failed a class you must retake it in order to graduate...
