Junior Registration

Login to Power School... you will be able to see the icon “class registration”... follow the instructions. Click the pencil on the left-hand side to edit requests.
Click the check box to register... if you want a class and you aren't able to click it that either means you do not have the prerequisite or need to come and talk to Mrs. Hobbs.

Here you can read about the class... Above you can read about the prerequisites.
Once done hit the submit button! It will not let you hit it until you have enough credits. If you do not hit it, we will not be able to see your classes 😊
Pay attention when choosing your classes... make sure they are ones you want to take.

Once you have chosen the correct amount of credit hours click submit... the counselors will get your requests and PowerSchool will generate a schedule! Please feel free to come to the counseling office if you have any questions!
IF YOU ARE REGISTERING FOR AN AUDITIONED CLASS, JUST REGISTER AS IF YOU WOULD MAKE IT. IF YOU END UP NOT MAKING IT, WE WILL ADJUST YOUR SCHEDULE 😊
