

BYUI Early Childhood Preschool Summer 2024 Program

BYUI will be offering an afternoon preschool program for children ages 3-5 at Central Elementary in Sugar City. Our program is designed to teach BYU-Idaho students how to support and guide preschool ages 3 years to 5 years from diverse populations.

They will engage the preschool age children and their families in a practical, hands-on experience in a classroom setting. In the classroom, the student teacher will implement developmentally appropriate, child focused curriculum and activities that support overall development and family identified functional outcomes.

Dates:

- Monday, Wednesday, Friday for the month of June 2024
- (June 3, 5, 7, 10, 12, 14, 17, 19, 21, 24, 26, 28)

Times:

- Monday & Wednesday 12:30-2:00
- Friday: 12:00-1:30

If you are interested in having your child participate in our program, please use the QR code so that BYUI can contact you and help you finalize the registration process.
